hendrick.lindsey@epa.gov [5:28 PM]:

Should I ask RD to send comments on the aldicarb addendum by COB Friday? I won't be here but maybe someone else could send to Carlitha for processing? I could also ask for comments by 3pm tomorrow so I can send to Carlitha, if you think that's sufficient time for RD to review.

johnson.hope@epa.gov [5:30 PM]:

I would send today and ask if they have any concerns/comments to send by 10am tomorrow. they gave us quick turnarounds so I think it's appropriate to ensure getting it out before you are out on Thursday.

hendrick.lindsey@epa.gov [5:30 PM]:

Ok, perfect. Thanks
